FOOD PAIRINGS

Seafood, Goat Cheese, Pineapple Upside-Down Cake

This classic German-style hefeweizen has an Evil Genius twist. I Love Lamp is brewed with 2-row, wheat and Munich malts, and hopped gently in the kettle with German hops. Once fermentation is complete, just the right amount of pineapple is added, making it a truly unique beer that is at once intriguing and drinkable. The banana and clove notes, naturally produced by the hefeweizen yeast, are balanced by refreshing pineapple, resulting in a delicious, easy-drinking treat.
