LANCASTER

Amber was the first style of cider produced under the Woodchuck label. It is made from a blend of apples and fermented with champagne yeast to produce a great tasting and refreshing product. Woodchuck Amber has a golden color, a medium-light body, mild bitterness and a medium sweetness that is reminiscent of apple cider. This cider is crisp and pleasant in character with a concentrated apple finish. All Woodchuck Ciders are naturally gluten free.

ABV
5.00%
