Traditionally known as Old World Ale, Stegmaier Winter Warmer boasts a brilliant, reddish-orange color and a full chewy body. It presents a robust malty, sweet and fruity aroma that attempts the senses. In using a blend of well-modified pale malts, along with judicious amounts of caramel and specialty character malts, Stegmaier Winter Warmer possesses a high malt character with luscious complexity and alcohol warmth, balanced with the traditional hop bitterness. Enjoy this flavorful offering in the company of your closest friends on a frosty winter night.
