From the coast of California comes Mind Haze, a free-spirited beer made to elevate your perceptions. It's juicy yet balanced, hazy yet lasting and loaded with an imaginative array of tropical hop flavors. Mind Haze breaks the mold with a luscious texture, explosive tropical hoppiness and unrivaled shelf longevity for the style. Indeed, it boasts the same shelf life as any other Firestone Walker IPA. It gets its haziness from natural proteins, tannins and enzymatic activity. In addition to creating a signature haze, these ingredients promote the type of texture and mouth feel that you expect from the best hazy IPAs.
